## A MESSAGE

BY

THE EDITOR

There is no better way of expressing the spirit of a school than through the medium of an Annual, and we do that again this year in the "Tower, 1975". What we do is so much the expression of what we are at heart, that our activities throughout the year are the surest index of our fundamental character as a school. In these activities are recorded in concrete form our aims and ideals, and if we wish to examine, correct and review them we have but to ponder the record of events set forth in this annual volume.

Every school has various goals at which to aim. I do not refer to its immediate goals. It would be an unworthy school which did not aim at graduating all its students and which did not make every reasonable effort to improve the quality of its teaching. This should be taken for granted. It should also be taken for granted that a school provide those other activities outside the classroom which appeal to a boy and secure his interest and loyalty, such as athletic, dramatic and social activities. In other words it goes without saying that every school will pay due regard to the physical and moral as well as to the artistic and intellectual pursuits. Saint Michael's College School has striven to do all this. With what success, you can judge from the record written in this annual.

What I have in mind chiefly, however, is the more remote goals. One of these certainly is to prepare a boy to make an honest living. Another is to make him a good citizen. These are worthy aims, not to be ignored. But what is most important is to consider how far God has a place in these goals. If love of home and friends and country ennoble a boy, and reflect credit on the school that formed his heart and mind to these noble ends, the love of God raises a boy to the highest level, and a school which has the true interests of its students at heart will keep this aim uppermost and will strive above all things to realize it.

St. Michael's is proud of what it is able to accomplish towards making its boys love their homes and their country. Its Graduates over a period of more than one hundred and twenty years have reflected credit upon it by the quality of their citizenship and by their loyalty to their country. The heroic sacrifices of those who have given their lives in two World Wars, and the noble deeds of all the others fill their old school with the greatest pride and make her exclaim with the mother of the martyred Machabees "These are my jewels."

But St. Michael's insists that she has been able to inspire this love of home and country in her students only because she has never forgotten to inspire first of all in them the love of God. The study of religion has always held first place in her curriculum. The truths of our holy faith have been taught daily - the practice of prayer, of devotion to the Blessed Sacrament, and of adoration to the Blessed Virgin as a model of purity have been urged constantly. The Basilian Fathers, who have one after another throughout the years served on the staff, have endeavored to exemplify in their lives the love of God which they have urged on their students. Those who have won the privilege of teaching here are inspired by the memory of their predecessors, and their strongest resolve is at least to carry on that great tradition, difficult as it is to improve or adorn it. It is their constant prayer that they shall never forget that love of home and country and of all good things is the fine flower of the love of God, the source of all good, and that they may continue so to teach their boys.

## THE STUDENT COUNCIL ELECTION CAMPAIGN

The Student Council Campaign was held in May of '74. The students who were running for Office decorated (?) the school with slogans, posters and other "come-ons". The candidates used many unique gimmicks, lunch hour speeches, and rallies to arouse interest in the campaign and to win votes.

The campaign culminated in two exciting assemblies, one for the Junior School and the other for the Seniors.

Here we have scenes from those campaigns. The Student Government is pictured on pages 17 and 18.

# THE FALL OF 1974

## GRADE NINE CLASSES ON CONDUCTED TOURS EARLY IN SEPTEMBER

in the arena

on the tennis courts

through the arch

up the steps

Our Graduates of other years passed through these hallowed portals when our school was at "Clover Hill" on Saint Joseph Street. Now their sons and nephews, and others, enter and leave through the Arch that welcomes them to St. Michael's College School.

During Orientation Week, the new students who chose hockey as an extra-curricular activity were divided into two Camps. Several "cuts" were made, and then the remaining players were divided into two teams.

The Dark Blue team was coached by Paul Gardner, and the Light Blue Team was coached by Joe Haffey. Paul and Joe were outstanding players with the 1973-74 Buzzers. The teams met early in September and the game was a "thriller". Parents and friends enjoyed it as did the boys and coaches. The Bantam teams looked forward to a successful year and no one was disappointed.

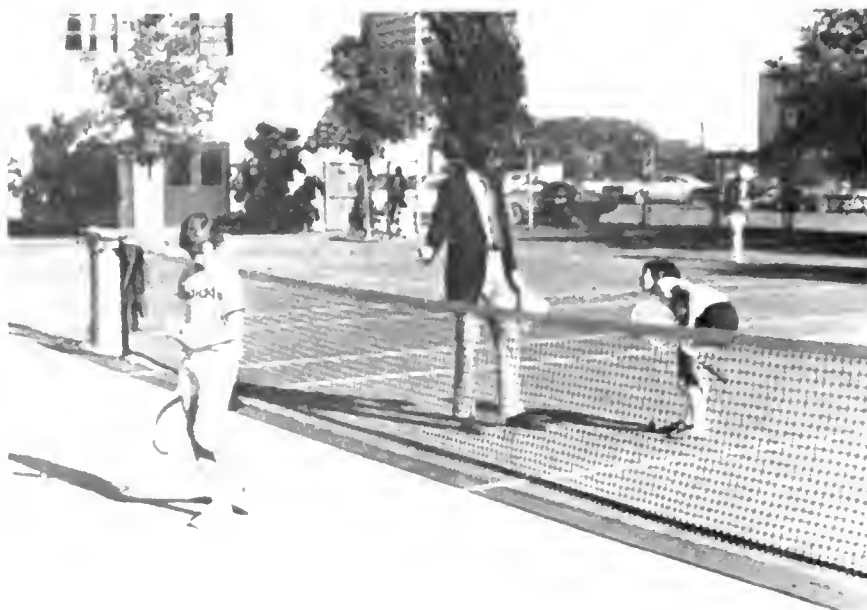

Early in the school year Fire Drills are held, and this is a scene showing part of the student body lined up along Bathurst Street.

Father Foy, Mr. Jim (or is it Mike) Coghlan, along with Mrs. Harris and Miss Linda Belcourt supervise the students who hurry out to the Arena area during the drill.

Mr. Paul Dignan and Father James Carruthers took a Grade Nine class on a tour of the school and its environs early in the new school year.

Mr. Paul Dignan, Director, Coordinator and Instructor of tennis, explains the "Tie Breaker" rule to Frank Minchella. Pat McDonough led Frank 7 - 6, and in the Tie Breaker he won five points to four over Frank. It was exciting.

Like a tree changing with each season, leaves will fall and new ones will replace them, yet the tree does not die. Each individual is but a single leaf on the tree of life, and the years at Saint Michael's, merely a branch.

## THE GRADUATES OF 1975

The Graduates of 1975 have been involved in the Saint Michael's Community for five years ... and involvement makes for inspiring and adventurous living. Being part of the scene means giving of oneself to others, and by the same token growing from what one receives in return.

At Saint Michael's College School our students are involved in a wide variety of activities: in chapel, in study; in social life, in athletics, in theatre, in discussion, in debate, ... in all that helps to shape the man of truly Christian character.

May each one of our Graduates be a part of all that he meets. And may each one go forward from his Alma Mater "strong in will, to strive, to seek, to find and not to yield".

And finally, may God's blessing be always with each one of them.

BACK ROW: Mr. John Feeney, First Vice-President; Mrs. Gloria Buckley, Secretary; Mrs. Rosahe Marcy, Social Convenor; Mrs. Anne Kubath, Social Convenor; Mr. Michael Church, Second Vice-President.

## THE PARENTS GUILD

Mrs. Eleanor Cira (Treasurer) and Mrs. Yolando Cira

Mr. Len Stewart, nearest the camera, was appointed Second Vice President after Mr. Church resigned from the position due to business commitments

President T.J. Flynn, President of the Student Government, addresses the Parents Guild at one of their monthly meetings. Vice-Presidents Bill James and Ray Edwards give him moral support while Father Kennedy and Mr. Stewart listen attentively.

Interested members of the Guild at another meeting of the Guild in our library at Saint Michael's.

Father Fitzpatrick, our Principal, converses with Mrs. Stewart during a "break" in a meeting, while other members of the Guild do their own thing.

# THE PARENTS GUILD ANNUAL DANCE

Last year it was a "Mardi Gras" Dance, another year it was a "Snow Ball", and this year the Parents Guild held their dance on February 14th, so naturally it was a Saint Valentine's Day Dance. And, it was a very happy time for all.

Bobbi Greer and His Quartet supplied the music and entertainment, and this group returned the next night to play for the Senior Semi-Formal Dance. Each evening was a tremendous success. Much action! Great fun! and Lots of happy people!

In the picture at the top we see the Bobbi Greer Quartet on our stage. It looks as if the decorations are telling a story. Could it be "Camelot"? Members of the ticket committee and other convenors are seen in the next picture. And finally the dance. "Oh! What a Beautiful Evening"!

# THE SENIOR ST. VALENTINE DAY SEMI-FORMAL DANCE

The Senior Semi-Formal Dance returned to Saint Michael's on February 15th, 1975, and what a tremendous success it was! Bobbi Greer and His Quartet were there to play for the large crowd of young people, and they were a happy crowd of young people indeed.

Rock, Jazz, Ballads, you name it and Bobbi played it. Now and then a few Polkas were thrown in to keep everyone happy. Every dance was a popular one, but from the pictures it seems as if the smooth ballads eased out in popularity the "walk away from your partner and do your own thing" dance.

A group of revellers at one of the tables includes Patty Hynes, Alan Baigent, Terry Morrison, Hugh Canning, Chris Bulger, Tony Griffin, Pat Mohan and their lovely friends. And the young ladies are Mary Ellen Mahoney, Margo Fairley, Sally MacNeill, Meredith Hill, Sue Nettleton, Anne Redmond and Cathy Gallagher.

# A RETREAT DAY ASH WEDNESDAY FEBRUARY 12, 1975

Father McKinnon celebrates the Eucharist with Mr. Colin Chase, a Permanent Deacon assisting, for a group of retreatants in Study Centre.

Father J. Heft, a Marianist Father, and Father Fitzpatrick distribute the ashes during the Mass offered in the Band Hall.

Frank Lista reads the First Lesson at the Mass in the Library for a group of Senior students. Father Carruthers and Father Terry McCallum, C.P., concelebrate the Mass. Other guest speakers at the Ash Wednesday Retreat were Father Ray Corriveau, C.S.S.R., Father James Fitz, a Marianist, and Father Michael Fallona, C.S.B.

still has all kinds of good things going  
for it. Clean air, wide open spaces,  
untapped resources, and young people  
who care. You're still in your teens

# FINALE

If to our students, to the parents of our students, and to our many friends --- this book brings aught of pleasure, even then our labour will be amply repaid. For the Graduates themselves it will faithfully serve, as the fleeting years remove them from the time of these events and dim some memories, and call back the scenes again of five years spent, the best in life, within the hallowed walls of Saint Michael's College School.

If for these two things it serves its purpose, and gives incidentally an insight to people --- all people --- what Saint Michael's is trying to do for Catholic education and uplift among her students, it will not be entirely labour lost.
